

## IW 120

SMALL HEATERS

PRODUCT-NO.: 229339

Integrate heat flexibly into your everyday life with this quartz radiant heater. The appliance brings your room up to temperature quickly and precisely. You can feel its radiant heat almost as soon as you switch it on.

The heater is practical in your bathroom, for example, to give you a nice warm start to the day. And what about when you want to relax on the patio in the evening as the day draws to an end? Here, too, the quartz radiant heater is your ideal companion.

### The main features

Infrared quartz radiant heater with 1.2 kW heating output

---

Pleasant radiant heat for indoors or protected outdoor areas

---

Choice of three heating stages (0.4/0.8/1.2 kW)

---

Easy to adjust and operate

---

High quality metal casing

Type	IW 120
Part no.	229339

## Wärmeleistung

Rated heating output P <sub>nom</sub>	1.20 kW
Minimum heating output (standard value) P <sub>min</sub>	0.00 kW
Maximum continuous heating output P <sub>max,c</sub>	1.20 kW

## Hilfsstromverbrauch

Auxiliary power consumption with rated heating output e <sub>lmax</sub>	0.00 kW
Auxiliary power consumption with minimum heating output e <sub>lmin</sub>	0.00 kW
Auxiliary power consumption in standby mode e <sub>lSB</sub>	0.00 kW

## Art der Wärmeleistung/Raumtemperaturkontrolle

Type of heating output/room temperature control: Single stage heating output, no room temperature control	-
Type of heating output/room temperature control: Two or more manually adjustable stages, no room temperature control	x
Type of heating output/room temperature control: Room temperature control with mechanical thermostat	-
Type of heating output/room temperature control: With electronic room temperature control	-
Type of heating output/room temperature control: Electronic room temperature control and time of day control	-
Type of heating output/room temperature control: Electronic room temperature control and day of week control	-

## Sonstige Regelungsoptionen

Other control options: Room temperature control with presence detection	-
Other control options: Room temperature control with window open detection	-
Other control options: With remote control option	-
Other control options: With adaptive control of heating startup	-
Other control options: With operating time limitation	-
Other control options: With black bulb sensor	-
